College Coaches Forum

This unique program provides valuable information to students who intend to pursue collegiate soccer. The event is free to all Dallas Texans Soccer Club athletes and their parents [limited seating is expected]. Players and parents outside the club may be charged a fee (\$20 per person)

A panel of coaches and players will provide important information for prospective student-athletes. Players will listen to the coaches as they explain their recruiting process. There will be a question and answer session for athletes as well, whereby the panel will provide clear, straightforward answers to your questions about recruiting. In addition, there is time scheduled for players to make personal introductions to the coaches.

Prospective athletes will here about:

- ways to get noticed by a college recruiter
- characteristics coaches look for in players
- the importance of preparing a personal promotional package
- ways to improve the odds of receiving a scholarship

For those individuals seeking to continue their athletic development at the collegiate level this event promises to provide essential information to furthering this aim.
